Foreign Entity

Foreign Ownership or Control Disclosure: To comply with Florida Statute 1010.25, Section 117 of the Higher Education Act, and UCF Policy 4-219 International Engagement please answer the below question regarding if the individual, governmental agency, or business that is a party to this contract (contracting party) is domiciled outside of the United States, a foreign government or agency of a foreign government, or owned or controlled by a business entity that is located outside of the United States (foreign entity). If the contracting party is located in the United States, please use Mergent Intellect.

Is the contracting party a foreign entity or owned, controlled, or funded by, either directly or indirectly, a foreign entity?

This includes situations where the contracting party:

- Is an individual who lives outside of the United States
- Is a subsidiary, division, or branch of a foreign entity;
- Is owned or controlled, in whole or in part, by a foreign citizen, company, government, university, or other foreign organization;
- Is owned or controlled through an intermediate company, holding company, or other entity that is owned or controlled by a foreign entity. Example: If Company A is the contracting party, Company B owns Company A, and Company B is owned by a foreign company.
- Is acting on behalf of a foreign entity.
